Dear Folks

Well today is Sunday our day off. Not much doing so writing this letter from Red Cross Club here in Camp. Hope that things are o.k. back home. Received a birthday card from Dell yesterday. Only 4 more days and I will be 20 years old. Boy it doesn't seem so long ago that I was running around at 270 Main. It is a short point. Things sure have change lot since then. They sure are catching it over there in France right

now. Hope to get down it soon. Received the stationary you sent yesterday. Thanks. will use it next letter.
Those Red Sox sure are hot. Only 1/2 game out of first place. I eat my heart that they will win the pennant & me not be able to see the Series.

Please send some candy if possible also Milty address as I have lost it. Sure do miss that old American candy. Can't get any over here except what we get in our rations which usually is 2 or 3 bars a week.

Glad to hear that Chet &
Mabel finally have moved.
Hope they like the new
home swell. Tell Baby
that I received her swell
little letter. Will answer
her when I first get a
chance. Am getting the
Call & Sentinel regularly -
also the Sporting News.
Hope you got my picture
O.K. Please send Frank's
back as soon as possible.
Will sign off for tonight
Love to all
Dick
